Intro Screens

As a new user, I want to have a quick overview over the app's features and benefits, so that I know what to expect.

As a new user, I want to be able to skip the intro, so that I can get to use the app faster.

Log In/Sign up

As a new user, I want to use social log-ins, so that the process of signing up and logging in is sped up.

.....

As a new user, I want to be able to sign up, so that my personal information and settings are saved and I have access from anywhere.

.....

As a new user, I want to be able to skip the sign-up process, so that I can test the app first without having to give out personal information.

Onboarding

As a new user, I want to have a quick overview of the main functions, so that I can find my way around the app easily.

.....

As a new user, I want to be able to skip the onboarding, so that I can call a vet immediately in case of an emergency.

Main Screen

As a pet owner, I want to be able to contact a veterinarian immediately, so that I don't have to waste time.

.....

As a pet owner, I want to see advice first thing, so that I can help my pet faster when there is a problem.

Advice Section

As a pet owner, I want to have access to pet health advice, so that if a problem arises I know what to do.

.....

As a pet owner, I want to know which tools and medication I should always have at home, so that I can help my pet myself and be useful in a veterinary call.

Pet Profiles

As a pet owner, I want to create a profile for my pet, so that I can better monitor its health.

.....

As a veterinarian, I want to see a pet's health record and medical history at a glance, so that it's easier for me to treat the animal and give sound advice.

Admin Area

As a pet owner, I want to have an administration area, so that I can manage my subscriptions and payment information.

.....

As a pet owner, I want to have an administration area, so that I can sign up or log in and change passwords.

Veterinaries

As a pet owner, I want to have an overview of the available veterinarians, so that I can choose a specific one for consultation.

.....

As a pet owner, I want to see the veterinarians' ratings, specializations and location, so that I can pick the most suitable.
